**JOINT NOTICE OF SETTLEMENT CONFERENCE OF
PACIFIC GAS AND ELECTRIC COMPANY (U 39-M), THE UTILITY REFORM
NETWORK, AND THE MARIN ENERGY AUTHORITY**

Pursuant to Rule 12.1(b) of the Rules of Practice and Procedure of the California Public Utilities Commission, Pacific Gas and Electric Company (“PG&E”), The Utility Reform Network (“TURN”), and the Marin Energy Authority (“MEA”) (collectively the “Settling Parties”) submit this notice of a Settlement Conference in the above-referenced proceeding. This settlement is a partial settlement and is related to certain Administrative and General (“A&G”) expenses that are currently proposed to be included in the distribution function in the General Rate Case (“GRC”) for programs funded outside of the GRC, including, but not limited to, Energy Efficiency, Demand Response, Low Income, Distributed Generation, and Statewide Marketing Education and Outreach programs. The proposed partial settlement would address the allocation of these costs within the GRC as well as to other proceedings such as those identified above. For this reason, this notice is being provided not only to the 2014 GRC service list, but also to the service lists for Energy Efficiency (A.12-07-001 et al.), Demand Response (A.11-03-001 et al.), Low Income (A.11-05-019), Distributed Generation (R.12-11-005), and Statewide Marketing Education and Outreach (A.12-08-007).

The Settlement Conference will be held on Thursday, September 5, 2013 from 2:00 PM to 3:30 PM at PG&E's offices located at 77 Beale Street, 31st Floor, San Francisco, California. If you intend to participate in the Settlement Conference in person, please send an e-mail to TVU1@pge.com that lists the names of your representatives no later than September 4, 2013.

Please note that a call-in line will be available for those parties who wish to participate by telephone. To participate by telephone, please call:
