Of course I remember! Loved the Prada store "art installation." Too funny!

Yes, my paper finally came out, I can't believe I didn't send it to you! See the link to the PPD page, mine is the one called, "Customers as Grid Participants: A fundamentally new role for customers." It's the first link. Would still love to get together for lunch too!

You remember! This piece ran a few months back and there were viewing parties in marfa. I thought morley did a pretty good job.

Larry and I hope to get back Aug 19 for a few days.

Watching 60 minutes and there is a segment on marfa. Can see why you love it. Hope all is well with you! Best,
