Yep, we are aware. IBEW did, indeed, suggest this. I am planning to come, too. I am slated to climb a pole, but Carla wants to go in a vault.

!!

We don't have any details on agenda yet.

The local gas supervisor, Redacted (who I like a lot), just told me that the Commissioner is scheduled to come by their facility on August 29. At 6:45 am. Wow.

I believe that the IBEW is involved in arranging this and perhaps all has been worked out. I am trying to get the proposed agenda now from the internal team here.

But I wondered whether you were aware and, if so, if you know if others from your office are coming?
