Subject: RE: request for meeting with Gen Hagan re Dig-ins

Hi Laura, hope all is well with you. I have been out the past few days so I just got your email. The General is planning to attend the Commission meetings in Monterey this week so this week is not a good week. However, the following week he seems available except Thursday, August 22nd.

Thank you,

Aaron K. Pete

Subject: request for meeting with Gen Hagan re Dig-ins

Good morning Aaron and happy Friday!

A couple weeks ago Gen Hagan indicated an interest in talking about PG&E's experience with dig-ins of natural gas lines, and contractors who fail to comply with the requirement to call 811 before they start digging.

We're prepared to bring some information in that may be helpful and I thought I'd try to get on his calendar. Any possibility for next week sometime?

Thanks

Laura
