Subject: RE: ALJ-274 Workshop: August 1-2, 2013 Presentations

Dear Stakeholders and attendees of the August 1-2, 2013 SED led workshops,

Attached are a summary of SED staff notes from the August 1-2 ALJ-274 workshops. We found the interactive exchange experienced during the workshops very productive and look forward to further development of the citation program and risk matrix. We encourage feedback on the proposed framework as well as any new ideas for consideration. Please submit any comments back to SED by

September 2, 2013. Please feel free to contact me with any questions. Thank you,

Kenneth Bruno

Supervisor – Risk Assessment Section

Safety and Enforcement Division

California Public Utilities Commission
