Subject: Re: PG&E's GT&S Application

I am! Spent yesterday hiking in Big Bend and it was wonderful.

We plan to file in November. We'd like to meet with you in September to go over structure and timing.

I'll get with you to set something up when I return.

Thanks for asking!
Laura

Great to hear from you!

I'm on vacation in Texas, but there sure is a lot of activity coming from your direction and I'm on too many calls ...

Anyway, let me check on our latest projection and get back to you by Friday.

Good choice on nat. I hear he's smart.

Subject: PG&E's GT&S Application

Hi Laura,

Hope you are having an enjoyable summer. I'm writing to inquire the latest update regarding the timing of PG&E filing its Gas Transmission and Storage – Gas Accord VI application. If you can provide an approximate time frame that PG&E currently plans to make its filing, it will assist in our future planning, etc.

We have a new gas section supervisor – Nathaniel (Nat) Skinner.

Thanks,

Mark
