Enjoy your vacation; I'll have to check out YouTube.

I'm doing well, getting adjusted in a new apartment (again) but still in Concord.

I AM going to Monterey, taking mom with me. ☺

Should be a good meeting...and of course great location.

No big time off, just went camping about 8000ft up in Huntington Lake, saw some sail races and spent some time with my niece & nephew.

This summer has been cool even for the Valley.

Talk to you soon.

Take care,

You are amazing to remember! Ill go there for a week starting next Saturday. There was a 60 Minutes piece a couple months ago that ran again last Sunday. Oys on You tube of course,

and its a cute snapshot of the quirky little town.

How are you?? Did you get any time off this summer? I'm not going to Monterrey -- are you?
