Subject: Re: AB 327 PG&E Support letter

Thanks. Received this too late. I agree with the comments but members aren't going to be back until the bill is in print and in order to avoid RN reference confusion as the bill will be in print, I presented it this way. RN referenced letters have very short shelf life.

Kent:

Thanks for sharing the draft of your support letter. It looks good but the final sentence of the first paragraph is not technically correct: our group does not support the bill currently in print – but we do support the agreed upon amendments. If you want to submit the letter after the bill is modified to include our agreed upon amendments, that would be fine. To be crystal clear, I recommend that your letter be modified to either:

- 1) Remove the last sentence of the first paragraph, or
- 2) Clarify that we all support the bill with the forthcoming amendments.

DRA also agrees with the Russ' comments regarding TOU, and Stephanie's comments regarding the CARE discount.

Thanks,

MC

PS: I've added Matthew Marcus back into this string. Please include him on future e-mails regarding AB 327. Thanks!
