Subject: Two topics -- financing and regional technical forum

Michael –

Good afternoon!

Looking forward to talking to you tomorrow about EE incentives. I just wanted to give you a quick heads up that we have these two other topics we'd like to talk to you about.

On the regional technical forum, we're ready to talk to you about the design of it, and would like to bring in our consultant, Annette Beitel, who also set up the Illinois RTF. Should be interesting, and we could set it up after the 5Sep meeting.

On the financing PD, I am wondering if you'd like sit down with us, or maybe we could handle the discussion with a short phone call. The judge said there would be a revision coming out, so it might make sense to wait, but it's still on the 5Sep calendar.

I'll ask you about these when we see you tomorrow.

Thanks!

yours,

sid
