Jersey? Not really sure. Probably need to get a jacket for it. But don't worry, I'll figure out a way that you'll have to see it many times.

Do I seem terse? Blame the thumb keyboard.

Nice! Put it in your office? Or on your jersey pocket?

Not Sonora. Bishop. See here:

<http://www.strava.com/segments/everest-challenge-day-2-771179>

Each day will be 6+ hours. I've only done four or five rides in excess of 5 hours this year (not needed for 2 - 3 hour mtb races).

Wow!!! That should be super fun. I presume this is Sonora Pass? At least the food would be good. (?)

Can you and I both go to Strudrick at the same time? I want to hear what he says to you.

Oh, and you are going to see some crazy strava shit for me this weekend. Doing the "Everest challenge" Saturday and Sunday. 30K of climbing in two days. I hope my troublesome IT bands can take it!

I'm going to follow my friend Greg in the Lucas Valley 110k. To prep, going to commute by bike/ferry. Probably very early on the days the bridge is closed. The 605a? Not sure how I'll get back. Leave early and take bart? Bart will be a zoo. Hmmmmmm. Wait, this plan sux.
