Subject: Meeting to discuss Climate Dividend Marketing with IOUs

Hey all-

I'm rescheduling this meeting for Wednesday at PG&E's request to give folks more time to prepare. Please note the room has changed to 5209.

Thanks for a very productive meeting yesterday. As a follow-up, I'd like to talk to you all again on Monday to talk about how we might proceed with a plan to use the money allocated for 2013 to commence startup activities in preparation for a customer education campaign in 2014, including how to divide resources between a central administrator and IOU activities.

This meeting is in Room 5209 at the CPUC building at 505 Van Ness.
