Hey Erik-

August 28 is open all day at this point. Any time that day would be fine.

Damon,

As I mentioned briefly to you, PG&E would like to meet with you for about one hour to discuss GHG offsets. I'd bring Marino Monardi and Karsten Barde with me for this meeting. Among other things, we would like to discuss the current RFO we are conducting. I checked our schedules and possible dates include Aug 28<sup>th</sup>, Sept 3 or the afternoon of Sept 5. Would any of those dates work for you and your team?

Erik
