Hi Erik,

Sorry for the delay in getting back to you – I got your voicemail, and I thought to be cautious, I need to double-check with Sepideh, because (as you know), least-cost dispatch is an issue in PG&E's ERRA compliance case. I want to think about the ex parte implications of doing the tour. I'll let you know soon, but so clearly there's no rush for this week.

Thanks,
Rachel

Correction. Looks like Friday morning won't work after all, but the afternoon of 8/23 looks like a possibility.

Rachel,

Great to see you today. I just looked at calendars for next week to get an idea of potential

times for a tour of the trading floor. It looks like the key folks are available on Friday Aug 23rd from 10-12. The afternoons on Wed, 8/21 and Thursday 8/22 might also work. Just let me know what works for you and any others interested in a tour.

Regards,

Erik
