Subject: Data Requests

Valerie,

As we discussed, please copy [Redacted] and myself on all data requests you and your team send to PG&E regarding our generation facilities. [Redacted] phone number is [Redacted] and her email is [Redacted]. My contact information is below.

[Redacted] will be responsible for coordinating and managing PG&E's responses to data requests about incidents at our generation facilities from you and your team in the Electric Generation Safety and Reliability section. [Redacted] works in PG&E's Energy Supply line of business that includes Power Generation and has access to the various subject matter experts we rely upon to respond to such inquiries. While she is out of the office during most of September, [Redacted] and I will do our best to keep things on track.

I also wanted to introduce you to [Redacted] who will be filling in for [Redacted] as manager of the Kern Power Plant demolition project. [Redacted] is officially retiring at the end of this month. [Redacted] can be reach at [Redacted] and his email is [Redacted].

Thanks and let me know if you have any questions.

Regards,

Erik
