Bob

I am happy to help. I am out of the office today but will give you a call tomorrow.

Thanks

**Subject:** Integration of Renewables Into the Distribution System

Ms. Dege:

I am writing a report on problems associated with the integration of renewable generation into the distribution system and I asked John Hughes whom to contact for information at PG&E. He recommended you, hence this e-mail.

Would you kindly take a few minutes and answer the attached questionnaire? I would certainly appreciate your help on this.

Thanks a lot.

Bob Elliott

Senior Utilities Engineer, Energy Division
