Will do. I got Terence's request earlier today and we are getting the report through Frances Yee's group. We've had some technical issues today with our communication systems, but should have it tomorrow morning.

Thanks
Laura

Subject: Extent of Condition Report

Laura,

Please send Terence a copy of the full "Extent of Condition Report" that PG&E had written up for the TCI weld validation issue. Also, please provide Terence with an agenda for what you are planning to discuss with him in the meeting next week. Terence can then let you know if he needs you prepare anything else in advance of your meeting.

Regards,

Liza
