Brain,

There has been an issue in the past with A4NR being allowed to attend the SSHAC (I don't know what that stands for but is the seismic meetings PG&E and SCE host under NRC orders). I believe PG&E allows A4NR to attend but when SCE hosts they do not allow them in. I think A4NR should be allowed to attend, but that is not my fight.

A4NR has asked that PG&E tape the next one and provide them a copy. I would appreciate it if PG&E could do that.

Hi Ed

Might you ask Redacted to have PG&E video-tape the SSHAC, it makes for a record that A4NR can share with other agencies.

Thanks

Rochelle
