Subject: RE: Request for Track 2 LTPP schedule extension for submission of opening  
testimony on model results

CLECA does not oppose DRA's request.

*Nora Sheriff*

Counsel to CLECA

**Subject:** Request for Track 2 LTPP schedule extension for submission of opening testimony on model results

DRA learned this morning that the ISO posted the Plexos model with Base, High DG-DSM, and Rep TPP scenarios to its FTP site today. The ISO advised that the “model does not have the new DR assumptions implemented yet. The ISO plans to post the model with the new DR assumptions early next week.”

DRA intends to request a one-week extension of the current deadline for submission of Track 2 model results and testimony from September 20 to September 27. Assuming that the CAISO posts updated model results by Tuesday September 17, this would allow DRA adequate time to re-run its Track 2 scenarios with the revised assumptions.

Given the amount of time between the deadline for submission of studies and the deadline for parties to reply to the studies, DRA would not request an extension of the November 1 deadline for parties to reply to opening studies, but it would not oppose such an extension.

Please let me know by COB today if you oppose this request.

Thanks,

Diana
