Subject: PHMSA visit to Bishop Ranch

Laura,

Gery Bauman from PHMSA and Richard Prier from Oakridge National Labs will be coming to PG&E Bishop Ranch facility in San Ramon on September 25th to inspect the records pertaining to the L-114 pipeline in Brentwood. Thank you in advance for helping Gery and Richard with the logistics of their visit. I will also be joining them in the morning and use this as an opportunity to tour the new Gas Ops center.

Best,

Liza
