Liza

Good morning!

I know this is a busy week. Jane and I would like to have a followup conversation with you about what we're doing to review all the work that TCI has done for PG&E.

Could we get 30 minutes do you think?

Jane and I will be at the CPUC on Friday for the hearings, but could meet sometime in the morning if that might work for you.

We also could do a phone call or possibly a meeting tomorrow or Thursday, as your schedule allows.

Let me know if something can work.

Thanks

Laura
