Subject: RE: Coffee/Catch up new time

Hi Laura,

Yes, this is getting rather ridiculous!! How about September 11th, 10:15 coffee? Can also just do earlier on the 10th – 8am, say.

9th or 10th at 5:15pm work well too. Just a caveat that all those times besides the 8am are 15 minutes after meetings are scheduled to end – so if PG&E keeps me more than a few minutes late, then I'll be late meeting you.

Cheers,

Joanna

This is getting pretty funny, right? I can't do lunch Monday, and this Friday is horrendous – I'll be at the Commission all day.

More dates please . . .

Oh no, my meeting with PG&E got pushed earlier, so it conflicts with our morning plans. How about this alternative time (Monday early lunch, 11:30-12:30)? Alternatively, this Friday Sept 6 at 9am (or earlier) is also great. I'll be around PG&E at both times anyway.

Cheers,

Joanna
