Let's go with tomorrow, I will be in the office around 8:00 am and am free all morning. Just call me when it works for you.

6:00 or tomorrow morning works. Whichever works better for you. What time in the morning would be best for you? My only conflict is 8:30-9:30 tomorrow.

I will be on Bart at that time, but should be at the airport around 6:00pm or my office first thing in the morning.

Ray,

Would 5:00 work? I'm just finishing up meeting and need to head back to my office.

Thanks,
Meredith

I just got out of the High Speed Rail rule making, and am free to talk now. Sorry for the later response.

Subject: Vegetation Management Question

Ray,

Do you have a few minutes this afternoon to discuss a veg management issue in Sonoma? Would 1:30 or 3:30 work?

Thanks,
Meredith
