Gurbux, Meredith will be following up with you to discuss the station power issue. I would still like to discuss the IPRP with you before your vacation. Do you have any time next week? Any day in the morning from 10:00-12:00 would work best for me. It should only take 15 minutes or so. Thanks, Erik

Eric, I am finally ready to talk about the station power tariff issue. Looks like you are out till Sep 23rd . I will be out from Sep 24-Oct 4th. I am planning to mail the revised SCE resolution before I go on vacation. Please let me know who I should talk to in your absence to find out what PG&E is doing on this issue. I know you have been in some negotiations.

Meredith, copying you because I think you have been working with Eric on this.

Gurbux,

Here are some times that would work for me for us to chat by phone on the station power and IPRP issues:

Tues, 8/27: 8:30-9:30; 10:30-1:00; 4:00-6:00

Wed, 8/28: 3:00-6:00

Thurs, 8/29: 8:30-12:00

It should only take about 15-20 minutes.

Please let me know if any of these times work for you and I will send you an appointment.

Erik
