Subject: RE: Meeting to Discuss Near-Term Rate Issues

Michele

I will let you know soon. However, who do see at this meeting from the PUC? We want to make sure that we have the right individuals from PG&E there.

Subject: Meeting to Discuss Near-Term Rate Issues

Dear Mr. Garwacki, Mr. Brill, and Mr. Hughes,

We were hoping to set up a meeting with you regarding near-term rate issues on September 16, 2013, or earlier if the Legislature approves Assembly Bill (AB) 327. In particular, we were hoping to discuss how you envisioned making rate changes for 2014, if the CPI provisions in SB 95 are superseded by AB 327 and given that the rates OIR has not concluded. If you could provide us with two or three time windows for a half-hour meeting on Monday, September 16th, we'd appreciate it.

Thanks,

Michele Kito
