Subject: RE: Meeting to Discuss Near-Term Rate Issues

Good clarification - I was planning to call in as I'll be out of the state.

Sorry for the confusion – I referenced a meeting, but we were thinking that a teleconference would suffice. We'll be working around Scott Murtishaw's schedule to make sure that he'll be able to join us. Paul Phillips and I will be on the call and Ed Randolph is a maybe, but we'll be updating him on the discussions if he's not on the call. If you need any further clarifications, please let us know.

Michele  
I will let you know soon. However, who do see at this meeting from the PUC? We want to make sure that we

have the right individuals from PG&E there.

Dear Mr. Garwacki, Mr. Brill, and Mr. Hughes,

We were hoping to set up a meeting with you regarding near-term rate issues on September 16, 2013, or earlier if the Legislature approves Assembly Bill (AB) 327. In particular, we were hoping to discuss how you envisioned making rate changes for 2014, if the CPI provisions in SB 95 are superseded by AB 327 and given that the rates OIR has not concluded. If you could provide us with two or three time windows for a half-hour meeting on Monday, September 16<sup>th</sup>, we'd appreciate it.

Thanks,

**Michele Kito**
