Jane-

This is email (2) of (2). Attached to this email are “*L-114\_2Weld Docs part 2*” and “*L-114\_2Weld Docs part 3*”.

These documents have been provided to the CPUC field inspector and are to support PG&E’s request to re-introduce gas to L-114\_2 between Antioch and Brentwood terminal to bring this segment back into service.

Thank you for your support on this project.
