Subject: RE: Proposed Expedited Schedule for PSEP Update Application

Kerry:

Thanks for taking the initiative to set out a schedule for the PSEP Update Application. While the Office of Ratepayer Advocates ("ORA") appreciates the effort, we cannot agree to the schedule set forth below. The following summarizes our primary objections to PG&E's proposed schedule. This is not a comprehensive list, nor is it in any particular order:

- On July 8, 2013 PG&E requested a 3 month extension to file the PSEP Update Application. Everything in the extension request suggests that the PSEP Update Application will be a large filing with voluminous workpapers. It strains logic for ORA to understand that while PG&E took 3 extra months to prepare the filing, ORA should now be prepared to review and respond to it within 2 weeks.
- PG&E knows what is in the PSEP Update Application; the intervenors do not, and will need to expend significant resources to become familiar with the filing.
- Under standard procedures, protests are due 30 days after the application is noticed in the Daily Calendar. Rule 2.6. Because the application will be voluminous, and PG&E was provided a 3 month extension to prepare it, we do not believe it would be appropriate to shorten the protest period to two weeks.
- In sum, ORA cannot agree to any schedule without seeing and reviewing the application. We believe it is more appropriate to follow standard application procedures and address the schedule at a normally scheduled prehearing conference (PHC) after the parties have had the opportunity to more fully review the application.
- As you may recall, ORA and TURN have a pending Motion to Clarify the Scope of the Proceeding. An additional concern is that the scope of the proceeding remains in question and that will also impact the appropriateness of any proposed schedule.

Finally, ORA asks that to the extent that PG&E desires to represent ORA's position on the schedule, that it quote this e-mail in full, rather than paraphrasing or selectively quoting from it.

Thanks, in advance, for your consideration of our concerns.

**Subject:** Proposed Expedited Schedule for PSEP Update Application

To All Parties in R.11-02-019:

As you may be aware, PG&E will file its PSEP Update Application on October 29, 2013, pursuant to Ordering Paragraph 11 of D.12-12-030. The decision requires that the PSEP update be filed as an "expedited" Application. Before the CPUC workshop in March, ALJ Bushey suggested that the parties should meet and confer regarding an appropriate expedited schedule. Please find below PG&E's proposal for an expedited schedule for inclusion in PG&E's October 29, 2013 PSEP Update Application. Please let me know if you have any comments regarding the proposed schedule by end of day Monday, October 14. If necessary, PG&E will host a conference call next week to discuss an appropriate schedule. Thanks. Please feel free to call me if you have any questions.
