Ken, it would be good to run through the process, and I would like to make sure we provide any additional information on our analysis, and any factors that may be relevant to the self-report. If that can work, could you let us know some possible times for a brief discussion.

Thanks

Jane

Laura / Jane: Just a heads up, I'm reviewing the self-report dated January 13, 2012 and it looks like a candidate for citation processing / issuance. Let me know if you want to discuss. Thanks,
