Great - Thanks. I'm pretty open all day do you have a preference between 10-11AM, 11AM-noon, or 1-2PM?

Jane is the most important person – I could do late in the day on Tuesday, but Thursday and

Friday aren't good as I'm in San Ramon all day both days.

Hi Laura / Jane - Can we move this meeting to next week? I prefer Tuesday 10/22 if you're both available, otherwise Thursday before 3PM or Friday afternoon.

Ken

Ken

I'm trying to send you an email and it keeps bouncing back. May be my blackberry.

Thought I'd try doing it via a reply to see if that works.

Jane's team will have a couple of self report bundles put together next week with causal analyses and the type of info we showed you on the HPR issue.

We'd like to show it to you. Do you have any time thurs/fri?

Thanks
Laura

Subject: Picarro HQ visit

Gentlemen,

It was nice working with you this week to demonstrate our usage of the Picarro Surveyor technology. I have had a chance to speak with our Picarro contacts and they are pretty open to almost any time for you to stop by for a visit to their headquarters in Santa Clara. We will likely join you with someone from our team and you can feel free to invite anyone else from your group as well.

I would like to suggest next Wednesday, October 9th at around 11 AM.

Picarro is located at:

[Picarro, Inc.](#) – Google Maps link

3105 Patrick Henry Drive

Santa Clara, CA 95054

Please get back to me at your earliest convenience with your availability and I will send an official calendar invite to block out this time.

Thanks,
