Subject: GT&S Rate Case

Mike/Sepideh – It looks like we are on schedule to file our GT&S rate case the first week in December. Procedurally, we want to get this out before the issuance of the PODs, but we have no control over that timing. We would like to schedule a meeting with Chris Johns, Nick Stavropolous and Tony Earley to go over the case with you before we make a formal filing later that week. Scheduling wise, there is a Commission meeting that week and Thanksgiving the week before. I understand your availability will be tight but we would like to request at least an hour. We can do it over here at the General Office, over at the PUC in your offices, or at San Ramon (and tour the new gas control complex). I can have my assistant reach out to your office but wanted to give you a heads-up first.
