Subject: October 21 R.12-03-014 (LTPP Track 4) message from ALJ Gamson

Parties:

1. The ISO filed a Motion on Friday October 18 stating the following: “for the purposes of the evidentiary hearing, the ISO strongly urges the Commission to exclude issues involving the ISO’s study methodology- application of transmission planning standards, probabilistic analysis and other matters- from cross examination during the evidentiary hearing.” I will hear argument on this Motion at the PHC. If necessary, I may establish a short turnaround deadline for formal comments on the Motion.

2. The October 22 PHC will be held in Hearing Room E at the Commission’s San Francisco offices. This room holds 55 people. Because of the limited capacity of this room, please limit in-person attendance to 1 or 2 persons per party. If necessary, I may need to ration attendance. There will be a call-in line. As noted on the Commission’s Daily Calendar, Parties may participate by phone by calling 877-374-9960, Participant Passcode is 771069. Due to the constraints of the room and the possible continuation of the BART strike, I will allow

participation of parties on the call-in line. However, because it is difficult for the Court Reporter to transcribe from the phone, I strongly prefer that parties who wish to have any significant interaction at the PHC attend in person.

Thank you.

Administrative Law Judge

David M. Gamson

(415) 703-1232
