Subject: Service List R.11-10-023 - Request for Informal Comments

*****Notice requesting informal comments**

On October 13, 2013 the Energy Division conducted a RA workshop which included a discussion on use-limited resources. I am attaching the presentations for your reference.

Informal comments on treatment of use-limited resources should be emailed to the service list or to Megha Lakhchaura (megha.lakhchaura@cpuc.ca.gov) on or before October 31, 2103. These comments are not to be filed, just served.

Some of the issues that you may wish to cover include:

1. Different strategies to manage use limited resources and the preference for a particular strategy. For example use-limited resources can be manage through a CPUC compliance program in addition to the CASIO Flexible Capacity Incentive Mechanism and the specific must-offer obligations for use-limited resources. Please indicate what you prefer and why. Do we need both initiatives to manage use-limited resources?
2. Comments on the DECA proposal
3. Other criteria that could be used to determine bucket size
