Subject: R.12-11-005 DG-CSI-OIR: CESA's Opposition to SCE Email re Requesting an
Extension on ACR dated 10/17/13

To all parties of service lists R.12-11-005 and R.11-09-011:

The California Energy Storage Alliance objects strongly to any extension of time in this matter. It should be obvious that time is of the essence and any dilatory tactics should clearly be opposed by all stakeholders and the Commission. CESA would welcome an opportunity to explain in detail why SCE's request is demonstrably unreasonable and inimical to the interests of CESA. CESA has approximately 70 member companies that are keenly interested and negatively impacted by the state of affairs that this ACR was issued to remedy. Given its intimate familiarity with the issues addressed in the ACR, SCE will suffer no prejudice by responding in a prompt and timely manner. Please reject the request for an extension.
