Brian,

Wed after 3 or Thurs between noon and 3 works best for me. Unclear yet who will be joining from my end.

I think we have several immediate things to talk about re L 147, but I'd also like to make sure we focus on fleshing out the idea from our last meeting of what future reactive community engagement should look like.

Please let me know what time works for you.

Thanks

Brian Turner

Brian – you mentioned Thursday as a good day for you. What would be a good time ?
