**RE: Substitute Pages for San Diego Gas & Electric (SDG&E) Partial Supplemental Filing for Advice Letter 2527-E-A and 2528-E-A: Request for Expedited Approval of Resource Adequacy Contract between SDG&E and NRG Power Marketing**

Please find enclosed the original and a copy of page 1 and 2 of SDG&E's Partial Supplemental Advice Letter (AL) Request for Expedited Approval of Resource Adequacy Contract between SDG&E and NRG Power Marketing for AL 2527-E-A (Encina Power Station) and AL 2528-E-A (Cabrillo II Power Units) that were submitted on October 28, 2013 to the California Public Utilities Commission (Commission).

The Commission's Energy Division (ED) subsequent to filing informed SDG&E to modify the protest period and effective date to reflect the 20 day protest period and 30 day effective period from October 21, 2013 which is the filing date of AL 2527-E and 2528-E. As such, SDG&E modifies the protest review date to reflect a 20 day protest period that ends on November 10, 2013 and a requested effective date of November 20 which is consistent of Tier 2 advice letters filed on October 21, 2013.

An asterisk has been reflected in the upper right corner of the page referenced above.

The attached substitute pages are being served to interested parties in R.12-03-014 and R.11-10-023.

Sincerely,
