Subject: RESPONSE IN OPPOSITION TO SCE EMAIL RE REQUESTING AN EXTENSION ON ACR DATED 10/17/13

OutBack Power Technologies (OutBack Power) respectfully but forcefully objects to the SCE request for an extension on ACR. There are a substantial number of projects, applicants and customers who have had their interconnection applications stalled due to the issues that are

addressed directly by the ACR. It is vitally important to these customers that they complete their projects in a timely manner; further delays would have substantial negative impact to their business and livelihood. Given the knowledge of the stakeholders and information that has been provided to the utilities within the past months, OutBack Power believes SCE has sufficient information to respond to the questions raised by the ACR in a timely manner.

Philip Undercuffler

Director, Product Management and Strategy  
OutBack Power Technologies
