Subject: R.12-11-005: CALSEIA's Opposition to SCE's Request for Extension of Time to  
Comment on ACR

Dear Ms. Meiers-De Pastino, and parties to R.12-11-005 and R.11-09-011

CALSEIA opposes SCE's request for an extension of time to submit comments on the ACR.

CALSEIA agrees with previous objections raised by other parties, including SolarCity and CESA, in opposing this request. CALSEIA believes that additional delays are unnecessary and will unfairly harm customers, installers and developers of distributed generation projects. The marketplace needs certainty and delaying the comment period, even by one week, exacerbates the delay and uncertainty already suffered. CALSEIA supports the proposed timeline in the ACR.
