Mr. Brill

I received your request to email to the service list in this proceeding some minor corrections to your October 21, 2013 filed comments. I find the request reasonable and will allow it in order to provide the corrections to parties. Commission Rules of Practice and Procedure (Rule) 1.12 (c) states that corrections that do not alter the substance of a filed document are not to be filed.

I am carbon copying the service lists for Rulemakings 13-09-011 and 07-01-041 so that they are aware of this exchange.

Thank you.

**Subject:** SDG&E Response filed in R13-09-011 on October 21

ALJ Hymes,

I left you a voicemail earlier this afternoon on a procedural matter regarding the response that SDG&E filed in R. 13-09-011 this past Monday. In short, the appendix to SDG&E's response contained five minor errors that we would like to correct through the submittal of a revised Response. I am writing to inquire as to whether it would be acceptable for me to request leave to file this revised pleading through an e-mail addressed to you that is served on all parties of record this afternoon. I would attach a copy of the revised response and include a summary of the revisions that are being made to the appendix in that e-mail.

Thank you for your attention to this matter,

Tom Brill
