I just made one for 12 – that means they will hold it til 12:15. Do you think you can make that?

Want to just do today (strike while the iron is hot)? Weekend also possible but requires coordination with my better half!

I could even offer to come meet you downtown if that makes life easier. I only need to write a speech by the end of today...

Its weird that I was thinking the exact same thing.

I could do lunch today or tomorrow, and dinner Friday or brunch Sat or Sunday?

Any chance you are free for a lunch or dinner (weekend) sooner? I was driving in this morning thinking I miss you! I am not in Redding, so incredibly free today and tomorrow, if there's anything chance for a spur of the moment (ish) plan.

I think we're on but this looks like you are cancelling. Will the 28<sup>th</sup> still work?
