Laura,

Thank you! Let me talk about this with Saleena and the program coordinator next week and then I will let you know.

Thanks,

Liza

Here is what our wonderful gas supervisor, [Redacted], at the Harrison Yard says:

“There won't be any crew activity during that time, but we can show them some leak survey tools, gas line material and a tour of our OEC. What date would they like to visit? I'll be in the Harrison Service all week except for Wed.”

Do you want to try to do something next Tuesday? That afternoon I have to be at my apartment from 4-6 to get my heater fixed, but I could arrange it for you and Selena to get in and meet with John. He's a great guy. The yard is at [Redacted] [Redacted].

Let us know.

Laura
