Hi Laura,

It *was* a good lunch; thanks for reminding me of our earlier commitment to meet for lunch.

And your email below prompted me to start a list of people for Comr. Ferron to try to see the next time he's in Washington. If he does go to NARUC, it's almost time to start trying to get appointments set up.

Let's not wait so long, next time.

Best,

Charlotte

Charlotte

I really enjoyed our lunch yesterday (seems longer ago!) and just remembered I was going to remind you that Commissioner Ferron may want to meet when he is in Washington with Deborah Hersman, Chair of the National Transportation Safety Board.

I believe that both General Hagan and Paul would have contact information for her – email perhaps and definitely phone number. I don't have access to that.

Thanks for the time; hope to do it again before too long.
