Subject: October possibilities

As it happens, I'm off to Texas for a quick visit Oct 9-11, and I'm guessing the next week is cluttered by the meetings in Redding.

Any chance for Wednesday the 23rd?

Oh my, how time flies. I'd love to get together, and it obviously is way overdue. How about sometime Oct. 9 – 11? Lunch would be great, or coffee.

Charlotte

Look what I ran across! February!

I would still love a quick check in visit sometime, but I also understand if you'd rather not.

At any rate, I hope you have a good weekend.

I hate to be obnoxious, but how about sometime the week of March 25? Right now, it's pretty open for me, after we get back from San Diego the prior week.

Thanks,

Charlotte

No problem, of course. We have barely started having to reschedule!

I'm available Feb 20 (Wed) or the 22nd, so let me know if one of those works.

Thanks

Laura,

Unfortunately, something has come up so that I won't be able to have lunch with you on the 13th. Maybe next week (Wed. – Fri.) or some other time, soon?

Sorry,

Charlotte

Great -- let's try for lunch on the 13th and then go from there if things get too crowded. I'm not going to NARUC -- hope you are able to enjoy some of the city while there. Warm shoes!

I'll confirm the week of the 13th.
Thanks Charlotte.

Hi Laura,

Coffee or lunch sounds good; it will need to be after NARUC unfortunately. Maybe Feb. 13 after the Commission meeting, or Feb. 14? Lunch or 4 pm coffee either day would be good. Or a later date.

Charlotte

Before we get too far into the new year I was hoping we might be able to find time for coffee or lunch. No specific agenda, I'd just like to have an opportunity to get caught up and debrief a little about last year.

I'm not going to NARUC -- are you? At any rate, I have time available on 1/31, 2/4, 2/7 and then after that if you have any openings available.

Thanks

Laura
