Laura,

I just spoke with Redacted the PLE for 147, and he confirmed that there was no H-form for the 2012 repair on Line 147. Because the excavation was for a repair, only an A-form was filled out.

Please let us know if you need anything else.

Subject: Line 147 2012 H-form

Sumeet,

I believe I have seen a copy of an A-Form for the 2012 digs (repairs on Segment 190) Line 147, but I haven't seen an a copy of an H-Form. Was an H-Form prepared for the 2012 digs and has it been provided in any responses that you can direct me to or better still, send me a copy? I need a response as soon as possible.

Thanks, Sumeet.
