OMG this is truly delightful!

I like kismet . . . even spelled with a Z!

This is really great. Nov 18 we'll hear about food so we had better eat ahead of time, right?

LD

So I stopped by the box office today. Alice was too full. But I got a seat (next to you!) for Bettye Lavette on 2/13 (it was kizmit!) and I also decide to join the Inside the CA Food Revolution on 11/18. That one is general admission so it's easier.

Very fun - thank you for letting me join you!
