"Do I look like I'm thriving to you, bitches?!"

Somehow that would be a great tagline in a rom-com set in West Oakland.

Mid day they run to p 41. Last p 41 departure is 3pm. Too early for me. But a good tip! Might use it this week.

I'm almost in Oak. Oh, check the schedule! You might pick it up on pier 41 before it gets to ferry building! No prob, then.

You make it through the line yet?

Do you think we could mount a 2hp motor to the back of the kayak? Can't imagine we'd be slower than today's rustbucket.

Ugh. No good choices.

Actually, you wanna go halvsies on a two person sea kayak? I'd bet you could park it in the PG&E garage... we need to be self sufficient.

Yeah, that's what I was thinking. You might try swinging by bus center on the way and seeing if there's a lettered bus with rack space for you, any one would do, I think. O goes to jack london, etc.
