I dunno. I was thinking bart in, ferry back.

In good news, I'm on the holiday committee -- and we are checking out Palomino tomorrow at 3pm. I'm going to show my benevolence by sending everyone home afterwards. So I should be free by 4p. Meet you at ferry building? You should drive the cruiser, dude. Free parking!!

Let me know your AM plans.

MC

I used to go there regularly when I drove a cab. I love that guy.

I think they do. Just read from the cb project. I am worried this is distracting you from the hard work of forgetting the whole thing!

No idea on cost. Is it possible that the public defender's office hires outside council for some of the bigger cases?

Oh, wow. I really don't like those guys. You must really believe in the process to want to represent them. How did your guy afford it? Is he cheap?
