Subject: Community Engagement Planning.

Brian - I would like to introduce you to Greg Pruett, our SVP of Gov Rel and Travis Kiyota, our VP of Local Government Relations. Greg and Travis, meet Brian, our new Asst Exec Dir of the PUC. Earlier today, Brian suggested that it would be good idea to sit down with PG&E to discuss our community engagement plans going forward so that we could coordinate and perhaps enhance efforts on similar matters with the PUC. I support this concept and I wanted to put Brian in contact with two of the principal architects responsible for those plans at PG&E. Brian - let us know some dates in the future that might work for you to meet with Travis and Greg and we will accommodate your schedule.
