Jennifer –

Terrific, looking forward to meeting with you and staff. Sally will work on setting it up from our end.
Thanks!

She may be interested but her calendar is very booked, practically through the end of the year. If you don't mind scheduling something a few weeks out – maybe even early November – we could have the Commissioner join. If you rather talk sooner, I can meet with you in the next week or two and have staff join.

Yes, I think it would be helpful. And actually, Steve Malnight reminded me that the Commissioner had told him that she would like to talk to us about EVs as well. Do you think she would be interested?

Thank you!

Hi Sid,

I would be happy to meet. Please feel free to send a meeting request to Cris Fernandez, and she can put something on the calendar.

Would it be helpful to have our EV staff from Energy Division participate in the meeting too?

Cheers,

Jen

Jennifer –

Would you be willing to meet with PG&E about EVs?

Our EV team is trying to formulate a strategy, and we would love to hear your perspective. I would bring our VP of Customer Energy Solutions, Steve Malnight, and Aaron Johnson, our senior director over the effort.

Thanks!

yours,

sid
