Ladies,

Deb is back in town, albeit with a bad case of east coast poison ivy! I wanted to forward the formal invite to the Energy Briefing. Please feel free to forward to others that may benefit. Once the agenda is developed I will send it over but it is totally ok for folks to attend only those sessions of interest. You don't have to stay all day – but I do!

I thought if you all attend we can do a post en banc debrief (celebration) at a local establishment after the session – let me know if that works!

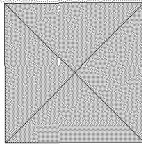

Deb
