Doug-

Left you a voice mail as well. Gail Slocum and I would like to call you this afternoon to discuss scheduling in the Phase 2 application relative to Residential Rate Design. As you probably know AB327 was recently signed by the Governor. As a result, some of the constraints on residential rates have been removed and will result in changes to future proceedings.

We would like to call you around 2:30-2:45 today to discuss. Let me know if that time works or some other time is better.
